

FLOOD SITUATION IS GROWING SERIOUS

Further Danger at This Point Not Anticipated, However.

Three People Drowned Thursday Morning at Zanesville in Muskingum River

HUNDREDS OF PEOPLE ARE NOW HOMELESS

River Men at Pittsburg Expect Bad Flood--At Cincinnati A 60 Foot Stage is Expected --Buckeye Lake at Danger Point.

The water in Newark is now falling, and as the rain has stopped, further danger is not anticipated. Police are aiding the sufferers here. Steam and trolley service is crippled.

At Zanesville Thursday three men drowned and 250 families are rendered homeless there.

The flood in Ohio and Pennsylvania is growing serious. A 60 foot stage is expected at Cincinnati and river men at Pittsburg expect the worst flood in the history of that city.

Buckeye Lake is 8 inches above high water mark. Only one pier is out of water. The bank was cut on Wednesday night at Buckeye Lake Park.

Four drowned today at McKeesport, Pa. Many Ohio towns report great loss of property and many people are suffering.

The high waters of Wednesday afternoon and night have done an immense amount of damage and have driven a number of families from their homes in the flood districts. Although waters of all streams about the city are receding rapidly, residents of South Newark in particular are not yet at ease as to the possibilities of more danger.

Some families of the stricken districts are under the protection and care of the city authorities, while the police department was kept busy Wednesday afternoon and Thursday morning from early morning. The city prison is accommodating a number of sufferers, most of whom come from Oklahoma and the northeast portion of the city, in spite of the fact that South Newark was practically cut off from the rest of the city more than any other district.

Beginning about 4 o'clock Wednesday afternoon the waters of all streams, except the South Fork, began to recede. This stream was kept high throughout the night and Thursday morning by the flood from Buckeye Lake where the water was within eight inches of the danger point Wednesday evening after the flood gates had been open for nearly 12 hours.

THREE DROWN AT ZANESVILLE AND 250 FAMILIES HOMELESS

Water Higher in Clay City Than at Any Previous Time --People Cared for in City Churches--Trolley Car Service Abandoned.

(Special to Advocate.)

Zanesville, O., March 14—Looking helplessly on, one hundred people saw three Hungarians drowned in the Muskingum river here today. Two of the men leave families.

About 15 Hungarian families lived in a single house in Far Oaks addition. This house became surrounded by water and the people were taken out in boats at 3 o'clock this morning. Later today three of the men built a raft and started to the house to get their household goods. Upon the return trip the loaded raft broke and the three men went down to death in sight of 100 people on the bank.

The water is today higher than at any time in the city's history. So far 250 families are homeless and the

gates had been open for nearly 12 hours. Following the heavy rain of Wednesday night, the streams began to rise again and continued high until about 4 o'clock Thursday morning, when they were noticed to be again receding. The South Fork, which was up to Baker street on South Second, receded about four feet in about as many hours Thursday morning.

South Second, Third, Fourth, Fifth and Sixth streets, from the hills on the south to Pataskala and Baker streets, were practically all under water Thursday forenoon.

In West Newark, the residents in the vicinity of Tenth, Ninth and Western avenue and those on the extreme end of West Church street, noted much inconvenience until about noon Thursday when the water began to lower.

The greatest amount of damage and suffering seems to be confined to the vicinity of Oklahoma, where all of the houses are surrounded by water, and boats, rafts and tubs are being used for transporting people with their belongings and provisions to places of safety. All persons released.

GOES FROM LUXURY TO LIFE IN A POORHOUSE.

MADAME ELEANOR FLETCHER BISHOP NICHOLAS.

MADAME NICHOLAS in 1886.

WASHINGTON IRVING BISHOP.

Montpelier, Vt., March 14—Countess Eleanor—Lady Lucas Langdon Nicholas, as she styles herself—better known as Mme. Nicholas, mother of Washington Irving Bishop, a famous mind reader, who died 15 years ago, whose life until a few years ago was surrounded by luxury and who was prominent in society in New York, Washington, Baltimore and

Philadelphia, has just been taken to end her days in the county almshouse.

Although Mme. Nicholas is without relatives and almost friendless, ill, destitute and a recluse, she yielded

only under protest to those who had determined the only place left for her was the poor house. Although she has lost everything else her courage remains, and her greeting to the superintendent of the almshouse was "I shall not trouble you long. I am still wealthy and I shall soon gain what rightfully belongs to me."

Nobody else shares Mme. Nicholas' hopes of a favorable turn in her affairs. She has a claim against the government and one against the Nicholas estate, and the money left by her son is still in litigation, but she has no funds to press the suits, and lawyer who undertook them have abandoned them as hopeless.

Born in Kent, England, about 70 years ago Mme. Nicholas is a cousin of the late Mr. Gladstone. Her marriage in the early fifties in New York was one of the most brilliant affairs which had so far occurred in the city's society.

BOOMING HARMON FOR PRESIDENCY

Cleveland, March 14—The Leader this morning has a story to the effect that a movement has been launched to boom Judson Harmon of Cincinnati for the Democratic presidential nomination.

GAS EXPLODES WRECKS HOUSE IN ZANESVILLE

LITTLE GIRL IS FATALLY HURT AND OTHERS RECEIVE INJURIES.

SEVEN PEOPLE IN DWELLING

Mrs. Blanch Sanders Struck Match to Measure Depth of Water in the Cellar

(Special to the Advocate.)

Zanesville, O., March 14—At 11 o'clock today a double brick house on Park street was blown to pieces by a natural gas explosion and several people were injured. This house is at the edge of the flood district.

Mrs. Blanch Sanders went into the cellar to measure the depth of the water and as she struck a match natural gas which had accumulated exploded, wrecking the house. At the time of the explosion there were seven people in the house: William Wilson, his wife and two children, Edwin and Marshall, Mrs. John Kronenbitter and daughter, Katherine, and Mrs. Blanch Sanders.

Little Katherine Kronenbitter will die, and the two Wilson children are also badly hurt, though they will recover. Mrs. Kronenbitter's clothing was almost torn off, but strange to say the woman herself escaped injury.

AN INSANE WOMAN JUMPS TO DEATH

(Bulletin.)

Cincinnati, March 14—Mrs. Agnes Kennett committed suicide today by jumping from the fifth floor of an apartment house. She had just been discharged from an asylum as cured.

TROUBLE IS COMING.

Oberlin, March 14—Students painted Rev. Mr. Lyon's tabernacle with signs such as "10 cent circus," etc., last night. The tabernacle is on the college campus and some expulsions are likely to follow.

SENSATIONAL DROP IN PRICES

Higher Money Rates and Rumors Disturb the Stock Market.

EVENTFUL DAY IN THE STREET

Breaks of From Half to a Point Between Sales and the Buying Power Limited—Harriman and Hill Stocks and Reading Show Weakness—Review of the Market.

New York, March 14. — Wednesday was an eventful day on the New York stock market, the most sensational decline in prices for some years being noted. The market opened weak under the influence of lower prices for Americans abroad and the drop in consols, to the lowest price since 1886. As soon as the rate for call money got above 6 per cent heavy blocks of stock were offered for sale, apparently without regard to price, and the downward trend of quotations became precipitate. Breaks of from half to a point between sales were frequent, and the buying power was so limited that it seemed to be difficult in some of the weaker features to execute selling orders. It was noticed that weakness centered in Reading, the Harriman railroads and the Hill stocks, and the weakness of the latter was closely associated in the minds of the professional traders with the departure for Europe of J. Pierpont Morgan.

Except that money rates were higher and that the tone on the foreign exchanges was unfavorable, there was no news to account for the break in prices.

A fair impression of the tone of sentiment may be obtained from the fact that when the news was received that the secretary of the treasury did not intend to call for an immediate return of \$30,000,000 of government funds now in the hands of the banks, it met with disbelief, traders fearing that it might be a false report given out in the hope of steadying the market. Official confirmation was quickly received, but it was without effect upon Stock Exchange trading. There were some reports that the general mercantile and commercial situation does not show as favorable an outlook as it did a few months ago, and these attracted considerable attention, as Wall street is always very sensitive to any change in general business conditions, foreseeing therein threats of diminution in traffic and reverses of other corporations, the stock of which are traded in on the exchange. There was nothing definite in these reports, but they played a considerable part in framing the general sentiment, nevertheless. The advance in the money rate was attributed to preparations by the banks to meet heavy payments coming due within the next few days.

CREIGHTON WILL IS ATTACKED

Omaha, Neb., March 14.—Those nephews and nieces of the late John A. Creighton who were not mentioned in his will, will make an attempt to break the instrument. Seven prominent attorneys in the city have been retained by these seven relatives who were cut out of bequests, and a fight will be made to prevent the will being probated. The amount left by Mr. Creighton is estimated at \$7,500,000, one-fourth being bequeathed to relatives and three-fourths to charitable and educational institutions. The will is to be probated Saturday unless a contest is instituted.

'FRISCO BOARD RESCINDS THE JAP RESOLUTION

San Francisco, March 14.—The San Francisco board of education, keeping its word with President Roosevelt, unanimously rescinded the resolution of last October, by which Japanese were segregated in the public schools, and adopted an alternative resolution in accordance with the understanding reached at the Washington conference between the president, Secretary Root, the school board and Mayor Schmitz. There is, however, an unwritten reservation to the effect that should the president's reciprocal promises to the board regarding discretionary restriction of coolie immigration to California not be carried out, the board may feel at liberty to readopt the October resolution and again segregate the Japanese.

A WILD FLURRY IN WALL STREET AGAIN THURSDAY

New York, March 14—Another wild flurry of greater proportion than that which created the panic in Wall street yesterday resulted this afternoon when a determined bear raid carried almost the entire market down with a disastrous crash. Reading, which appeared one of the chief targets of the bear attack reached a low point of 36 1/2 before reflex action set in and it was able to recover in a measure. The stock opened today at 115 after having closed last night at 113 3/4. The break in this stock resulted in a deluge of selling orders in many other issues, but fortunately in the midst of the downward rush a batch of urgent and hurried coverings of shorts in order to realize large profits on the shot side, resulted in a number of sharp rallies.

JEROME ATTACKS EVELYN'S STORY

And Denounces the Thaw's in His Argument to the Court

District Attorney Jerome Claims That Stanford White Never Harmed Evelyn Nesbit

AND DEFENDS THE MURDERED ARCHITECT

Fierce Legal Battle Between Delmas and Jerome as to The Admissibility of Abe Hummel's Testimony--Thursday's Developments.

New York, March 14—Thanks to Delmas the Thaw defense today exonerated itself from the bad hole into which it was plunged yesterday. Judge Fitzgerald, after hearing the arguments of Delmas, ruled out the questions of Jerome by which the district attorney sought to get from Abe Hummel evidence that in an affidavit sworn to before him, Evelyn Nesbit absolved Stanford White from the charge of having ruined her, and declared that she had never accused White to Thaw. Jerome, beaten back, approached the point from a different avenue. Delmas again blocked the way by interposing the privilege of Evelyn as Hummel's client. Jerome denied that she was Hummel's client. Delmas offered to put her on the stand to prove that she was. Jerome was not willing that this should be done at this time and suggested that as a compromise the present course of the trial should be temporarily abandoned and that he be allowed to put his alienists on the stand this afternoon. The court agreed. During the afternoon session Jerome will probably read the hypothetical question he has prepared. Delmas asked an immediate adjournment to allow him time to study the hypothetical question.

Jerome startled the court room by asking Judge Fitzgerald to instruct Thaw's lawyers not to confer with the witnesses they intended calling, meaning Evelyn Nesbit Thaw, during the interval.

"I never heard of such a thing that counsel should be prohibited to talk with witnesses," Delmas exclaimed. Justice Fitzgerald cut short the argument by ignoring Jerome's request.

New York, March 14.—Opportunity to attack Harry Thaw and Evelyn Nesbit was found by District Attorney Jerome in arguing on the question of the admissibility of the testimony which Abraham Hummel, the lawyer, has to offer. It was to enable Delphin M. Delmas, leading counsel for the defense, to consult authorities and frame a reply to Mr. Jerome, and also to allow the latter an opportunity of completing the hypothetical question which he is to put to his experts, that a recess was ordered by the court.

During his argument the district attorney took on, for the first time since the case began, a sustained oratorical tone. He asserted that Hummel would swear Evelyn Nesbit told him three days after her return from Europe in 1903, that Thaw had beaten her cruelly, because she would not sign papers he had prepared, falsely accusing Stanford White of having drugged and betrayed her.

The district attorney warmly contended that she had told much more, that Thaw seemed bent on putting Stanford White in the penitentiary, that the statement that White had betrayed her was not true; that Stanford White had never harmed her, and that Thaw was consumed with rage when she refused to sign and swear to the papers containing lies against White. "These were put in the form of an affidavit," declared Mr. Jerome, "and that affidavit was subscribed to by Evelyn Nesbit when she knew what she was doing and what the paper contained. We want to show that the girl who told this remarkable story here on the witness stand, at another time stated under solemnity of an oath that naked—I repeat, absolutely naked—she had endured the lashings and beating of this defendant rather than swear to his false state-

ments that Stanford White had drugged and ruined her."

Mr. Jerome argued that the material point of the case is whether or not Evelyn Nesbit told Thaw the story of her alleged ruin by Stanford White. Without that story in evidence, he declared, the reason for the defendant's alleged insanity disappeared. The prosecutor plainly admitted the importance of young Mrs. Thaw's testimony, and he said he wished by Hummel's testimony to show her own repudiation of the charges which, on the witness stand, she renewed against White. "Thus," he concluded, "the jury may infer from her own statements, after her return from Europe in 1903, whether or not she had within two months of that time told this defendant the things she said she did."

Objected to Hummel. Mr. Delmas objected to Hummel as a witness on the ground that his testimony had to do with the truth or falsity of Mrs. Thaw's narration, and was not permissible under the rules of evidence. Mr. Jerome's contention is that while he may not attack the truth or falsity of Mrs. Thaw's statement that she was betrayed by White, he can attack the truth of her assertion that she told the story to Thaw at the time she says she did. Attorney Delmas first sought to interrupt Hummel's testimony by showing that he was acting as Evelyn Nesbit's legal advisor and counsel when she made certain statements to him. Hummel evaded this, however, by saying he was acting solely as White's counsel, and no legal action had been contemplated in behalf of Miss Nesbit. He said he was paid yearly a retainer by Stanford White, and could not say exactly what he charged the architect for drawing up the affidavit. Asked if it was \$1,000, he burst into laughter and said absolutely that it was not. He finally placed the charge at \$100—"about."

When Evelyn Nesbit Thaw was on the witness stand she said Stanford White came to see her one evening in 1903 and asked her what she had told Hummel about him, adding, that "Abe Hummel has just squeezed \$1,000 out of me, and the Lord only knows how soon he will squeeze another." Young Mrs. Thaw's testimony regarding the affidavit was to the effect that Stanford White had taken her to Hummel's office after telling her "lots of horrid things about Harry," and that she had told Hummel about her trip through Europe with Thaw. She said: "Mr. Hummel then dictated a lot of things to a man and put in lots about Harry Thaw which was not there at all." She denied signing any paper in Hummel's office, but admitted having signed some papers later in White's studio. She claimed she did not know what the papers were.

DICK ARRESTED ON COMPLAINT OF HIS PIQUA WIFE

(Bulletin.)

Piqua, March 14—Henry Franklin Dick, of Fletcher, has just been arrested at Springfield on a charge of bigamy. He is reported to have three wives. The first is said to be Jennie Vannoy, of Fletcher. Another Frances E. Apple of Piqua. It is said the third lives in Lima. The Piqua wife caused his arrest.

MEDICAL SCHOOLS

WILL INCORPORATE AS PART OF THE OHIO STATE UNIVERSITY.

New Company Will Take Over the Rights and Privileges of Both Institutions.

Columbus, March 14.—Articles providing for the merger of the Starling Medical college and the Ohio Medical college under the name of the Ohio State Medical college, were filed yesterday in the office of the secretary of state. This is a move which has been expected long, among medical men, and it is believed to be the first step toward a consolidation of both schools with the Ohio State university.

The incorporators are Dr. William O. Thompson president of Ohio State university; Dr. Charles S. Hamilton, Dr. William J. Means, Dr. Andrew Timmerman, Dr. Thomas C. Hoover, Dr. John Edwin Brown, Dr. Frank Winders, Prof. William R. Lazenby, Dr. Charles F. Clark, E. B. Kinkead, Fred J. Heer and H. D. Booth.

The union of the schools will be effected as soon as possible and will be done without abandonment of the buildings of either. The new corporation will take over the rights and privileges of both and will also succeed to the rights in the various hospitals, especially St. Francis, Mt. Carmel, Protestant and St. Anthony. A part of the student work will be done in each college. The exact amount of work to be done in each school has not been determined, but it is thought that two years will be done in the Starling and two in the Ohio Medical. There are now 300 students in the two schools combined, and the total alumni of the two number about 2500.

Both schools are well known to the medical fraternity of Ohio. The Ohio Medical college was incorporated in 1891, and the first class was graduated from this school in 1892. Dr. W. O. Thompson, president of Ohio State University, is president of Ohio Medical college.

In speaking of the belief that the consolidation of the schools is preliminary to their absorption by the State University, one of the incorporators said last night:

"The eventual merging of these schools by the Ohio State university is something which medical men throughout Ohio have long hoped for. While I cannot say at present that this is the object, I think it is coming."

A Humane Appeal.

A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 West Main street, says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough and cold cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness and phthisis, stops hemorrhages of the lungs and builds them up. Guaranteed at F. D. Hall's drug store. 50c. and \$1. Trial bottle free.

SOUTH MADISON.

Mr. J. W. Weekly is moving his family into his new home, close to the Wilson school house.

Mr. Wm. Parr has moved from the Stephens farm to his fathers home at Quality run.

Mr. Frank Darnes is having a severe attack of the grip.

Mr. and Mrs. Thos. Davidson attended the funeral of their sister-in-law at Brushy Fork last Tuesday.

Mr. A. J. Allison recently received word that her sister, Miss Ida McQueen, a former Licking county school teacher, who now resides in Tacoma, Wash., was married to a Mr. Thompson of that city, and expects to make that her future home. Her many friends in Licking county unite in wishing her joy.

Mr. Allen Minor who has been ill is slowly improving.

Mrs. A. F. Parr spent a couple of days with her daughter in Newark.

Mrs. J. G. Butler of R. D. 9 and her daughter, Mrs. Frank Warner, spent Tuesday with Mrs. D. A. Dwiggins.

Mr. Charles Carter and Miss Louella McBride who made a trip to Ken-

tucky and were married, have returned and will make their home with the bride's parents.

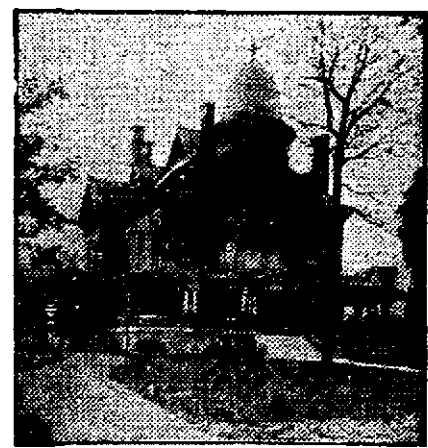

Mrs. Lucy Minor was through here Monday, canvassing.

The friends and schoolmates of Miss Lena Pickett who spent all her life here, up to a couple of years ago, will be grieved to hear of her serious illness.

Mrs. Cora B. Miller Makes a Fortune

Started a Few Years Ago With No Capital and Now Employs Nearly One Hundred Clerks and Stenographers.

Until a few years ago Mrs. Cora B. Miller lived in a manner similar to that of thousands of other very poor women of the average small town and village. She now resides in her own palatial brown-stone residence, and is considered one of the most successful business women in the United States.

Mrs. Miller's New Residence, Borne in Less Than One Year.

Several years ago Mrs. Miller learned of a mild and simple preparation that cured herself and several friends of female weakness and piles. She was besieged by so many women needing treatment that she decided to furnish it to those who might call for it. She started with only a few dollars' capital, and the remedy, possessing true and wonderful merit, producing many cures when doctors and other remedies failed, the demand grew so rapidly she was several times compelled to seek larger quarters. She now occupies one of the city's largest office buildings, which she owns, and almost one hundred clerks and stenographers are required to assist in this great business.

MILLION WOMEN USE IT. More than a million women have used Mrs. Miller's remedy, and no matter where you live, she can refer you to ladies in your own locality who can and will tell you the truth about this marvelous remedy. It cures women. Despite the fact that Mrs. Miller's business is very extensive, she is always willing to give aid and advice to every suffering woman who writes to her. She is a generous, good woman and has decided to give away to women who have never used her medicine \$10,000.00 worth absolutely FREE.

Every woman suffering with pains in the head, back and bowels, bearing-down feelings, nervousness, creeping sensations up the spine, melancholy, desire to cry, hot flashes, weariness, or piles from where you live, she can refer you to ladies in your own locality who can and will tell you the truth about this marvelous remedy. It cures women. Despite the fact that Mrs. Miller's business is very extensive, she is always willing to give aid and advice to every suffering woman who writes to her. She is a generous, good woman and has decided to give away to women who have never used her medicine \$10,000.00 worth absolutely FREE.

PASTOR RESIGNS

Rev. Mr. Browning Has Been Compelled to Quit Pastorate Owing to Ill Health.

Owing to ill health, the Rev. Mr. Browning, until recently pastor of the Pine street church, has been compelled to resign the pastorate and has been succeeded by Rev. J. R. Shepherd, who has already taken charge of the work. The regular services will be continued as in the past. Special services will be held Sunday morning and evening. Subject for the evening service will be "A Confused Church." The services will be evangelistic in nature.

SEEK NO FURTHER! If you have Rheumatism, Penn Rheumatism Cure will surely stop the excruciating agony. Expect no miracles—solid common sense will guide you. Sold by all druggists. \$1.00 a large liquid bottle. Tablet form 50c. th-tf

Collision Between Trains. Orange, Tex., March 14.—In a collision between two trains on the Gulf, Sabine & East Texas railroad near Fields, La., Thomas Hawley and William Mize were killed and seven other men were injured, two seriously. The collision occurred in a valley, and those injured jumped from the trains. Hawley was formerly of Pennsylvania.

STATE NEWS

Mission of a Marquis.

Columbus, O., March 14.—The Marquis de la Roziere of Paris arrived in Columbus to be present at the hearing in the supreme court of a suit to construe the will of the late Sylvester J. Miller, formerly of Cleveland. The suit was brought on behalf of his two sons by the marquis, who married a granddaughter of Miller, Edith Barney Tilghman, in Paris, in 1901. The marquis died a year later and twin sons survived. Under the terms of the will in dispute the marquis was a residuary legatee and entitled to one-half interest in the estate. The will contained provisions for half a dozen other legatees. It is to determine the specific meaning of these that the suit was brought. The estate is estimated to be worth \$200,000.

Speedy Trials Promised.

Columbus, O., March 14.—Judge Evans ordered a special assignment of the cases of all the men indicted for bribery in connection with the Broad street paving contract, with the exception of Charles E. Burr, member of the board of public service, and Stanley R. Rhoads. Prosecutor Webber will endeavor to force a speedy disposition of the cases. No tidings have been received from Charles E. Burr, the missing member of the board of public service. His wife is prostrated by the shock caused by the indictment of Burr and his sudden disappearance. The theory of suicide is not entertained by members of the family.

Builders' Supply Association.

Columbus, O., March 14.—The Ohio Builders' Supply association elected the following officers, closing a two days' session in this city: President, W. A. Fay, Cleveland; vice presidents, W. S. Hawthorne, Dayton; W. O. Maddox, Xenia; A. J. Schneider, Springfield; E. C. Kissinger, Columbus; M. J. Alton, Huron; secretary, R. E. Thompson, Columbus; treasurer, R. K. Do Valle, Toledo. It was decided to hold a midsummer convention at some point on the Great Lakes to be selected by the executive committee.

Ohio Man a Member.

Washington, March 14.—Montgomery Blair of the District of Columbia and D. S. Ambler of Salem, O., have been appointed members of the commission created by the treaty between the United States and Panama to assess damages for land and property of individuals and the state of Panama needed for canal purposes.

Advanced Oil Prices.

Marietta, O., March 14.—The Standard oil company advanced the price of all oils 10 cents per barrel, the new price being \$1.75, will discontinue the separation of amber and dark oil and will meet the Pure Oil company's advance announced several days ago.

Will Prosecute Wright.

Denver, March 14.—District Attorney Stidger announced that he would prosecute Benjamin C. Wright on the charge of having murdered his wife and daughter, who were found dead in their home in this city on Feb. 25, and that he had secured much evidence in support of the allegation that the woman and child were poisoned by Wright. The alleged confession made by Wright to Chief of Police Delaney is said by attorneys for the defense to be worthless.

UNION MEN WANTED.

All union men of the building trades are requested to attend a meeting of the Building Trades Council, Thursday evening, March 14, at 7:30 o'clock at the convention room of the court house. All delegates are especially urged to be present. W. W. Litten, Chairman. 12-3t

Strengthens Anti-Gambling Law.

Jefferson City, Mo., March 13.—The house passed the senate bill to correct a weakness in the present anti-racetrack gambling law. The law passed two years ago did not provide against recording bets in other states and using the telephone and telegraph, but the bill just passed provides that it is unlawful for a telephone, the telegraph or any other instrument to be used in connection with a bet on a horse race. The bill is ready for the signature of the governor, who recommended it.

Only One "BROMO QUININE"

That is LAXATIVE BROMO Quinine. Similarly named remedies sometimes deceive. The first and original Cold Tablet is a WHITE PACKAGE with black and red lettering, and bears the signature of E. W. GROVE. 25c.

CONSULT DR. BROWN—OHIO'S WELL KNOWN SPECIALIST IN

PRIVATE AND BLOOD DISEASES OF MEN

MY GUARANTEE—No Charge for Service Unless Cured

Numerous Pelvic Diseases AND THEIR DANGEROUS DEVELOPMENT

Blood Poison

If you have sore patches, pimples, copper-colored spots, sores and ulcers, bone pains, falling hair or any other symptoms of Contagious Blood Poison, in either primary, secondary or tertiary stages, come to me and be forever rid of it. My treatment quickly destroys the virus, clears the skin, purifies the blood and thoroughly cleanses and eradicates all traces of the poison from the system. I stop its progress, and all danger of transmission or recurrence is removed.

The treatment I administer for Blood Poison acts rapidly upon the diseased blood cells, expelling the poison therefrom and soon shows to the entire satisfaction of the patient that the deadly virus or poison is being forever exterminated from the system and the cure effected. I want every victim of this disease who has heretofore treated without benefit, and WHO REALLY DESIRES TO BE CURED, to write me, when I will take pleasure in explaining to you a treatment that is DEATH TO DEADLY BLOOD POISON. This is the only method of nothing that is injurious to the health of the patient, but strengthens and rebuilds him from the damaging effects of the disease, causing him to increase in flesh, the skin to regain its healthy color and condition, and in fact by removing the poison from the system, restores to the sufferer that which the disease has impaired. IT WILL COST YOU NOTHING TO CONSULT ME ABOUT YOUR CASE.

Nervous Debility

Men whose manhood is diminishing—and there are thousands of them—owe it to themselves to take prompt steps to relieve a condition which ultimately leads to misery and helplessness. At no time in a man's life does he need more the service of a skilled specialist. I give each and every case individual treatment and my original perfected methods are safe, sure and certain in bringing back strength and vigor. They build up the physical, mental and vital man, permanently stop all drains or vital losses, emissions, invigorate the wasted and restore the sufferer to ROBUST MANHOOD.

Piles and Fistula

These diseases demand the diagnosis and treatment of a skilled specialist. I possess a knowledge of these diseases which has been acquired by years of study and experience. I attribute my great success in the cure of the same to the fact that I remove the primary cause instead of attempting first to eradicate the local symptoms. This is the reason surgery in the treatment of Piles and Fistula has been a complete failure to cure, because the knife does not remove the cause of the disease, and thousands throughout the United States have been left perfect wrecks after the use of the knife. I especially want those to consult me who have treated with other physicians and have not received a cure, and any physician who has a stubborn case under his care is invited to consult me by appointment.

Varicocele

Varicocele is the most treacherous and silent and certain in its results of all known ailments of men. It makes its appearance apparently without cause, but never ceases in its destructive influence until it robs a man of all his vigor, vitality, making him a complete physical wreck. Under my treatment a healthy circulation of blood is quickly re-established to the parts, the wasted glands and organs are enlarged and permanent strength and vitality are given to the organism. Every trace of weakness disappears, drains and emissions cease, the weakened system is strengthened, you become stronger and better in every way and will soon possess the sense of well-being which accompanies good health and robust manhood.

Stricture

My treatment gives instant relief from pain, stops all inflammation, emissions, and permanently frees the urinary canal from all obstruction. I remove every trace of the disease without resorting to the pain or danger of the old-time operation method. In justice to my treatment, which has never yet met with failure, where used according to instructions, I only ask a thorough investigation to make you, if you are a sufferer from this often fatally neglected disease, one of the many who are today indorsing my methods and sending others to me for treatment.

Hydrocele

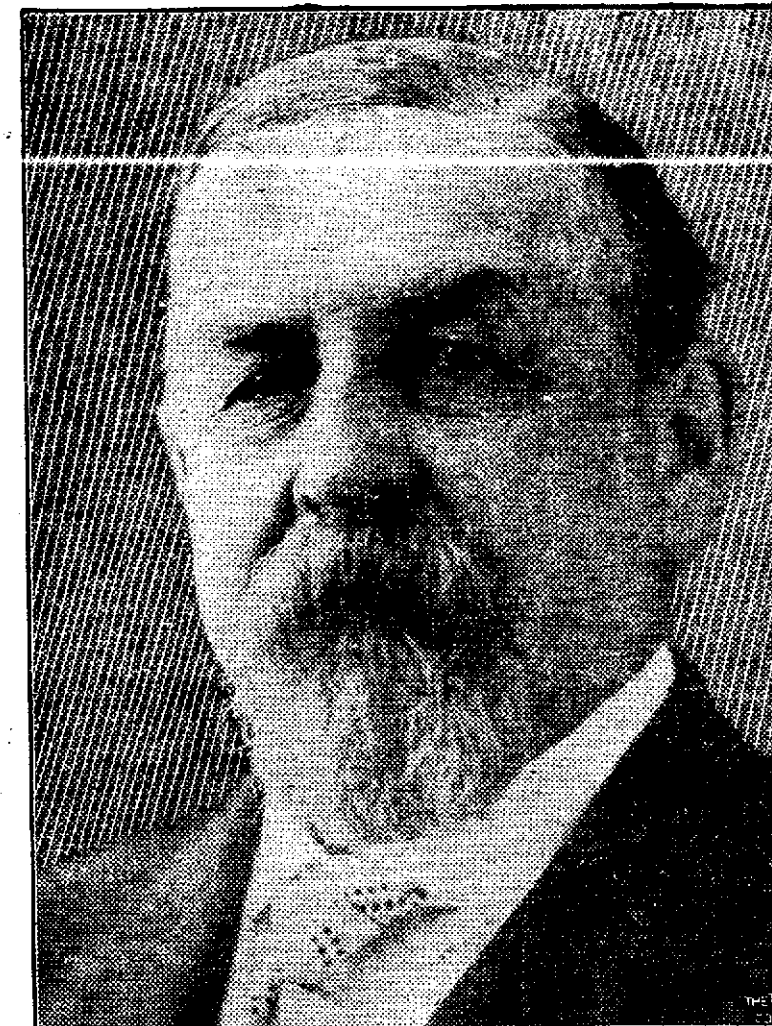

My method promptly reduces the enlarged condition of the scrotum and speedily and permanently restores the part to perfect health and soundness. No pain or detention from business. A speedy and lasting cure guaranteed in every case I accept for treatment.

Kidney, Bladder and Prostatic Diseases.

I master these diseases because I have found new and mighty weapons with which to fight them. My treatment goes direct to the root of the trouble, the proper remedies are supplied, and diseased conditions are overcome by prompt and effective measures, and the patient is soon dismissed perfectly cured. Do not allow these terrible diseases to get the start of you; at the very first symptoms consult a reliable specialist. Your very life may depend upon prompt action.

I cure all acute, chronic, cancerous tumors and ulcers without burning pastes or salves. Skin diseases, such as pimples, boils, eruptions or eczema quickly disappear under my special and modern methods of treatment.

CONSULTATION AND ADVICE, IN PERSON OR BY LETTER, FREE AND INVITED—Everything strictly confidential. Separate reception rooms. If you are tired of experimenting without benefit, consult DR. BROWN.

uncle, Frank Teabout, of Newark, Sunday.

Mrs. Frank Owens of Columbus is the guest of her sister, Mrs. Harry Postle.

Miss Mary Cheek visited her cousin, Mrs. Laura Brill of Newark, Saturday and Sunday.

Mr. Henry Cheek received word of the death of his cousin, Mrs. Mahala Mikesell of Cordora, Iowa last week.

Free to the Ruptured

Simple Home Cure that Anyone Can Use Without Pain, Danger or Loss of Time from Work

SENT FREE TO ALL

I cure rupture without operation, pain danger or loss of time. When I say cure, I do not mean with trusses for all time.

To convince you and your ruptured friends that my discovery actually cures I want you to test it without one cent expense to yourself. Remember, I am not trying to sell you a truss, but I offer you an absolute, perfect and permanent cure that means freedom from pain and suffering, a largely increased physical and mental vigor, a fuller enjoyment of life's blessings and years of comfort and satisfaction added to the length of your life. Don't waste any money, simply fill out the coupon below, indicate on the diagram the location of the rupture, and mail it to me. Don't neglect this important matter a single day or continue to be tortured any longer by cheap, ready-made trusses. My remarkable offer is the fastest ever made and should be taken advantage of immediately by all rupture sufferers.

Free Treatment Coupon

Mark on the diagram the location of the rupture, answer the questions and mail this to Dr. W. S. RICE, 443 Main Street, Adams, N. Y.

Diagram of a man's torso showing the location of a rupture. Labels include: RIGHT, LEFT, Age, Time Ruptured?, Does Rupture pain?, Do you wear a truss?, Name, Address.

DR. J. T. LEWIS, DENTIST.

Office—New Phone 518; 42 1-2 North Third St.; Res. Old Phone 408.

Teeth extracted without pain. Work guaranteed. Office hours 8 to 12 a. m., 1 to 5 p. m. Open Wednesday and Saturday evenings 7 to 8. Other evenings by appointment only.

J. R. FITZGIBBON, ATTORNEY-AT-LAW.

Prosecuting Attorney of Licking County. Will practice in all the courts. All business promptly and carefully attended to.

ABOUT PEOPLE

Short Personal Items Gathered During the Day.

William Harris of Wooster was in the city on Wednesday on business.

Mrs. G. A. Tomlinson of 102 Florence street, leaves tonight for Petrolia, Canada.

Mr. and Mrs. M. Schonberg have returned home after spending two weeks in Cleveland.

Mrs. Harry Irwin of Hagerstown, Md., is the guest of Mrs. Adam Miller at 271 West Church street.

B. & O. Engineer John Higgins has so far recovered from his recent injury as to resume his regular run on No. 8.

Dr. Carlin Sheldon has returned from a visit with her parents at Waterford, O., and is now stopping at The Normandie.

Mr. John Miller, who has been in New York for the past two weeks, returned to his home on Pataskala street Thursday morning.

Supt. E. A. Bonebrake and staff of the Pennsylvania, passed through the city Thursday morning, at 9 o'clock, en route for Pittsburg on an inspection trip.

Miss Mary Hughes of Crestline, who has been visiting relatives and friends here for the past week, has returned home, after having had a most enjoyable visit.

Mr. and Mrs. Charles Bixler, prominent farming people of Delaware county, were in the city Wednesday, enroute home after a short visit with their son in Zanesville.

Darwin and Raymond Cripp after spending several days vacation with their parents, returned to Ada, Ohio, today to resume their studies in the Ohio Northern university.

Mr. and Mrs. Harry S. Kirkpatrick returned to their home in Pittsburg Thursday morning. Mr. Kirkpatrick is connected with the freight claim agent's office for the Pennsylvania railroad, and has been here for several weeks recuperating from an attack of typhoid fever.

"The Holy City" will be repeated at the Fifth street Baptist church tonight. Admission 25 cents. It

HEAVY DAMAGE BY HIGH WATER

Hamilton, O., March 14.—Three railroad washouts, a freight train wrecked, 200 persons rendered homeless, 1,000 thrown out of employment and \$75,000 damage were caused by the sudden flood of the Great Miami river, following thunderstorms. The river reached 17 feet, a rise of 11 feet in 24 hours. A freight train on the Pennsylvania road ran into a washout near Collinsville, and 13 cars of merchandise are piled in ruins. The tracks of the Cleveland, Cincinnati, Chicago & St. Louis railway were washed out, and trains detoured over the Cincinnati, Hamilton & Dayton. Several factories are inundated and 1,000 men will be idle. The police rescued in boats 200 residents of Peck's addition.

Water Cripples Railroads. Columbus, O., March 14.—Columbus railroads extending into southern Ohio are badly crippled by the freshets in small streams. The Ohio Central tracks are inundated at Corning, Bremen and New Lexington, and through trains to West Virginia are compelled to detour at Athens. All the Hocking Valley road's trains south of Lancaster have been annihilated. The Zanesville & Western is tied up by water between Zanesville and Pultenham, and the Cincinnati & Muskingum Valley has a washout of 200 feet of track near Bremen.

Members of Crew Drown. Pittsburg, Pa., March 14.—Swept with terrific force by the swollen current against the pier at Lock No. 3, the towboat Cruiser, owned by the Monongahela River Consolidated Coal and Coke company, was wrecked and sunk, sending two of her crew to death. Two others were rescued a mile below the scene of the accident after they had been in the water an hour. Three of the crew clinging to the bow of the submerged boat were saved after a hard fight with the heavy ice.

Rivers Rising. Pittsburg, March 14.—The Monongahela, Allegheny and Ohio rivers are rising rapidly. A stage of 27 feet has been reached in this city. This stage is five feet over the danger mark and will inundate the lower portions of the city. Reports from up-river points are alarming. A greater part of many towns in the Monongahela valley are submerged, and many persons narrowly escaped with their lives. The property damage is heavy.

Worst Since '98. Springfield, O., March 14.—Springfield is experiencing the worst flood since 1898. In the neighborhood of 200 families are homeless in the Lagonia street bottoms. Boats were busy rescuing families and household goods from the flood-swept houses. Trains of the Detroit, Toledo & Iron-

The best advice to be given to any young man or woman is to "Save."

Economy is easy to practice—once you acquire the habit; extravagance is expensive and costly.

Start saving today. Let one dollar open an account, then add to it systematically.

The 4% compound interest we pay helps on the good work.

Assets Over One Million Dollars.

THE HOME BUILDING ASS'N CO.

The Old Home
26 South Third Street

ton and the Big Four were compelled to detour here and at several points in this section because of high water.

Forced From Homes.

Piqua, O., March 11.—The Great Miami river is on a rampage, and many people have been forced to leave their homes and seek shelter elsewhere. Rossville, the colored section of town, and East Piqua, are inundated. Much damage is reported. The Miami & Erie canal and the river are almost one body of water, the canal bank giving way in several places.

Telephones Burned Out.

Chillicothe, O., March 14.—The terrific thunderstorm set every little stream in the county on a rampage and caused one of the worst floods in the history of the community. Hundreds of telephones were burnt out by the lightning, and great damage was done to electric light wires.

Country Flooded.

Marietta, O., March 14.—Marietta was visited by one of the worst electrical storms in years. Over two inches of rain fell and the surrounding country was flooded. All small streams are overflowing their banks. The damage to the railroads is heavy and all trains were late.

Boat Was Swamped.

Marietta, O., March 14.—Will Martinia, a colored ferryman on the Muskingum river, five miles above here, was drowned while, with three companions in a skiff, he was endeavoring to catch his broken cable. The boat was swamped. Martinia drowned, but his three companions escaped.

MARTIN EHRET.

The body of Martin Ehret, who died at his home, 52 Grant street, on Sunday, was shipped to the family home, in Quincy, Ill., Wednesday afternoon for burial. The body was accompanied by the wife and family.

Dr. J. A. James, former commissioner of lands, was killed with 12 other persons, in the wreck of a train at Alkman, on the Delagoa line, in the Transvaal, due to a washout.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh and bone. That is impossible. But I can now surely kill the pains and pangs of this terrible disease.

In Germany—a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism, but now, at last, I can cure all cases of this terrible disease. I found it in the blood, and I found it in the joints, and I found it in the muscles, and I found it in the bones, and I found it in the veins, and I found it in the arteries, and I found it in the nerves, and I found it in the brain, and I found it in the heart, and I found it in the lungs, and I found it in the stomach, and I found it in the intestines, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the uterus, and I found it in the vagina, and I found it in the prostate, and I found it in the testicles, and I found it in the epididymis, and I found it in the vas deferens, and I found it in the ureters, and I found it in the urethra, and I found it in the bladder, and I found it in the rectum, and I found it in the March 14 In History.

1590—Decisive battle of Ivry and victory of Henry of Navarre.
1803—Frederick Theophilus Klopstock, German poet, died; born 1724.
1830—Victor Emmanuel, in whose reign the unification of Italy was completed, died; born in Turin; died Jan. 9, 1878.
Italy's first king was born to the throne of Sardinia. Cavour became his prime minister in 1852, and in 1858 he gained admission to the convention of European powers by joining with England and France in the Crimean war. When Austria invaded the Sardinian kingdom, in 1859, Cavour called upon his old ally, France, and the Austrians were defeated at Magenta and Solferino. From that time on the Italian states deposed their petty princes, and in 1861 all Italy was united.
1883—Dr. Karl Marx, socialist leader and revolutionary writer, died; born 1818.
1900—Rev. Thomas Kilpatrick Beecher, noted Congregationalist minister, died at Elmira, N. Y.; born 1824.
1902—King Edward VII. and Queen Alexandra held their first court at Buckingham palace.

Karl Marx.

A few days of balmy weather will see a lot of Newark folks out looking at their cottages at Buckeye Lake. This promises to be a great season at the lake.

Most of the green in honor of St. Patrick's Day will be in the buttonholes. There will be little of it under foot with this kind of a spring.

After July 1, next, you won't need to buy a regular special delivery stamp, which is often inconvenient for you to do. Just put ten cents in extra postage stamps on your letter, writing "special delivery" on the envelope—and away it goes.

PILES CURED FREE

Get Rid of Your Piles Right Now—Pyramid Pile Cure Can Do It Quickly and Painlessly.

FREE PACKAGE SENT TO PROVE IT.

Half of the suffering and torture of piles has never been told. But no matter. Whether your particular case of piles is almost too excruciating for any mortal to bear, or if you are fearfully tantalized by unreachably itching, or whether you have only a moderate case of piles, there is positive relief, and quick too, in Pyramid Pile Cure.

You need not take for granted all we ourselves say about our Pile Remedy. We want it to speak for itself. We want you to send for a free package, today, of the marvelous Pyramid Pile Cure. We want to prove these statements to you personally, so that you will feel the result yourself.

Pyramid Pile Cure has cured the worst form of piles known. We prove it.

Instant relief can be gotten by using the marvelous Pyramid Pile Cure. It immediately reduces all congestion and swelling, heals all sores, ulcers and irritated parts.

The moment you start to use it, your suffering ends and the cure of your dread disease is in sight. Here is one of the many thousand letters we get about this great cure.

"I have been a terrible sufferer of piles for fourteen (14) years and during all this time you can have an idea of how many kinds of medicine I tried. But I found no relief whatever.

"Now, after trying but one treatment of your 'Pyramids,' I am free, free to tell all sufferers of this dreadful disease to try this medicine—the Pyramid Pile Cure. It will cure when all others fail. Sincerely yours, George Braneight, Schellburg, Pa."

The Pyramid Pile Cure is put up in the form of "easy-to-use," specially made suppositories. They are soothing, painless, instant and certain.

A trial treatment will be sent you at once by mail, in plain, sealed wrapper, without a cent of expense to you, if you send your name and address to Pyramid Drug Co., 83 Pyramid Building, Marshall, Mich.

After you receive the sample, you can get a regular-size package of Pyramid Pile Cure at your druggist's for 50 cents, or if he hasn't it, send us the money and we will send it to you.

Surprise Party.

Kirkersville, March 14—Mr. Worley C. Weil was very agreeably surprised last Friday at his country home one and a half miles north of Kirkersville, by his children gathering at his home to remind him of his 59th birthday anniversary. Mr. Weil is a veteran of the Civil war, having served in Co. K, Ninth Ohio Cavalry from 1863 to 1865. The children presented him with a handsome arm chair of which he is justly proud. Those present were his daughter, Mrs. W. D. Ward, Mrs. Charles P. Eger, of Zanesville, Mrs. B. M. Evans of Granville, Mr. Charles U. Wells of Jersey, Mr. William D. Wells of Pataskala, his sister, Miss Libby Wells of McConellsville, Mr. Fred Wells of the home.

A very sumptuous dinner was served at 12:30 which was provided from well filled baskets of those present. At a late hour the self invited guests departed for their homes wishing their father many returns of the happy day.

BLAMES CHURCHES FOR HER CRIME

Coshocton, March 14.—To what extent society and the ban of the churches are responsible for a crime will be considered in the trial of Ida Bordenkircher, whose trial for the murder of her husband on Christmas day has just begun.

It is said that the defense will claim that Mrs. Bordenkircher endeavored to live a pure life, but that she was refused admittance to the church and barred from any recognition by the better elements on account of her previous life. She gave up in despair and resumed her evil ways and the murder was committed during a drunken brawl. A jury has now been secured. The woman is charged with second degree murder.

DAY'S BUSINESS IN COURT HOUSE

GRAHAM DIVORCE CASE HEARD IN PROBATE COURT BY JUDGE BRISTER.

Coyle Case Dismissed Without Prejudice—Reality Transfers—Other Court House News.

The divorce case of Lulu May Graham against Harry Graham came up for hearing in the Probate court on Thursday. The parties were married in 1896 in Newark and afterwards removed to Pittsburg and lived there for some years, and where the defendant now lives. The plaintiff left her husband on account of his drinking as she alleges, and neglect of duty, two years ago and has since that time lived here with her mother. Her cause of action plaintiff charges her husband with habitual drunkenness and gross neglect of duty. The plaintiff was represented by Norpell & Norpell and the defendant filed an answer in the case by Attorney Newland of Pittsburg, also some depositions, but failed to appear at the hearing on Thursday morning. The court held the charge of drunkenness sustained, but would not enter a final decree until proof of good character had been made by the plaintiff, and the case was held open for that purpose.

Coyle Case Dismissed.
The divorce case of John O. Coyle against Emma R. Coyle has been dismissed in the Probate court without prejudice.

Habeas Corpus Case.
The habeas corpus case of the State of Ohio on relation of George Frank against the sheriff of Licking county, was decided by the Probate court. Frank filed a petition in the Probate court for a writ of habeas corpus stating that he was illegally detained in the custody of the sheriff. The sheriff made the usual return and answer, stating that he had received the prisoner and held him by virtue of a mittimus from the court of Mayor McCleary. Frank, by his attorney, B. G. Smythe, replied, alleging that the arrest and detention were illegal first, because the first arrest was without warrant and not by a proper officer, and that the second arrest was illegal because it was made in a court of justice, viz, the Mayor's court. To this reply Robbins Hunter, attorney for the prosecution filed a general demurrer, claiming that even if the facts alleged in the reply were true that the remedy was not by demurrer but by a writ of error. After argument by counsel the court overruled the demurrer and the case was heard on its merits. Frank had first been arrested by Detective Teeters who is employed by the American Bottle plant, and who is also a special policeman, on the charge of carrying concealed weapons. After a full hearing the court decided that both arrests were illegal, granted the writ and ordered the prisoner discharged. It is said that immediately after his discharge he was arrested on another warrant.

Eva Beem has commenced suit in the Probate court for alimony from

Some food is good to eat but not healthful. Other food is healthful but not good to eat. Malta-Vita is both healthful and good to eat. It is all of the wheat and contains every element necessary to the sustenance of the human body. It develops and nourishes the brain, the nerves, the bones, the muscle and the blood. It fills all the requirements of a food. And it's so fresh and crisp! Just the best you ever tasted and it's always ready to eat.

Now 10 cents. All Grocers.

American Gout

This peculiar and distinctly American disease becomes more common day after day. Different parts and organs of the body are affected in different individuals, according to their occupations. The man who works with his brain has headache, depressed spirits, sleeplessness, bad memory, or is irritable. The man who works with his muscles feels sluggish, tired, disinclined to work, has dull aches. Both complain of torpid liver, constipation, biliousness, backache, lack of appetite or loss of nerve-tone.

All forms of American gout are due to one cause—uric acid in the blood. Uric acid is a part of the body's waste matter, which is carried by the blood to the kidneys for expulsion. But when the blood is weakened, the uric acid accumulates; and the blood falls more and more behind in its task of carrying it away, the usual result being symptoms of American gout.

LIFE PLANT—There is only one way of curing American gout, and that is by giving the blood the necessary help to completely clear out uric acid. For this very purpose Nature has provided LIFE PLANT. LIFE PLANT goes right into the blood, attacks uric acid and dissolves it so that the blood has no trouble in expelling it. LIFE PLANT quickly restores the system to the energy and power of perfect health. Read what the Hon. John S. Graham, ex-prosecuting attorney of Tuscarawas County, Ohio, says:

"I would not be deprived of the benefit I have received from the use of Life Plant for a thousand dollars. It has taken away the dull, morose, indifferent sensation that is the result of close application to the duties of my legal profession, and in its stead given the vigor and elasticity of youth."

"If you have any ailment write your symptoms fully to I. J. Mizer, M. D., President of the Life Plant Co., Canton, O., who will send you his personal advice free. Our valuable book 'GOOD HEALTH,' sent on request free.

(THE LIFE PLANT CO., Canton, O.)

George O. Beem. Plaintiff says that she was married to the defendant in November of 1877, and that for some years they have lived on a farm. For cause of action she charges her husband with extreme cruelty; that he told her to get out of their home and that if she did not do so he would kick her out, and that she was compelled to go to a neighbors to spend the night. She says that he has money in the Farmers' Bank of Granville. The defendant was enjoined from disposing of any of his property and the bank was enjoined from paying him any money in its hands. J. Howard Jones, attorney.

Separate Answer.
In the case of George Nichols, against The Ohio Telephone and Telegraph company, Van D. Sanders and the American Telephone and Telegraph company, Van D. Sanders has filed his separate answer to the amended petition. He says that he is the agent of The Ohio Telephone and Telegraph company, but denies that he has been engaged in the erecting of telephone poles on or about the premises of plaintiff. He admits that on or about September 1, 1906, plaintiff entered into a written contract with the Ohio Telephone and Telegraph company, whereby, for the sum of \$200, plaintiff granted to The Ohio Telephone and Telegraph company the right to construct, operate and maintain its lines of telephones and telegraph across plaintiff's real estate. Defendant denies all the allegations not specifically admitted to be true, and prays that he may go hence and recover of plaintiff his costs expended. Williams, Taylor and Pretzman, attorneys for Van D. Sanders.

Jno. Gough Seeks Divorce.
Columbus, O., March 14—John Gough, of Licking county, is seeking divorce from his wife, Birtine Gough. He alleges willful absence for three years as the grounds for divorce. They were married in 1899.

Court Notes.
Court Stenographer Charles C. Cooper has just completed a bill of exceptions in the case of Charles C. Forry, receiver, in the case of Beatty & East vs. the Newark Natural Gas and Fuel company.

Dr. J. N. Stone as administrator of the estate of Lavina A. Cordray, deceased, has filed his inventory and appraisement.

Real Estate Transfers.

Frank and Celia Spring to the Consumers' Brewing company, inlet 2841 in Newark, \$2700.

The will of Elizabeth Daugherty, deceased, was admitted to probate on Thursday afternoon.

YOUNG PEOPLE'S UNION MEETING

The regular quarterly union meeting will be held in the First Congregational church on North Fourth street, Sunday, March 17 at 5:30 o'clock.

Those who have attended other meetings of the union always feel more than repaid, and this meeting promises to exceed all others in interest.

The union is simply an organization of all the young people's societies, which meets quarterly and talks over the work of each society and tries to do more and better work for each one. A banner is given at each meeting to the society gaining the largest number of new members during the previous three months.

The chief speaker of the evening will be Mr. O. E. Hunt, president of the Baptist society, and his address will be along the lines of civic righteousness, a topic that is particularly apt at this time when the whole country has awakened to this subject.

MRS. MARY FEICHT SOCIETY WOMAN IS FOUND NOT GUILTY

(Bulletin.)
Cleveland, March 14—The jury in the Federal court today returned a verdict of not guilty in the case of Mrs. Mary Feicht, the Canton society woman, who was charged with sending obscene letters to prominent people.

SAVED A TRAIN.
Middletown, March 14—Two unknown lads yesterday afternoon prevented a wreck of the Big Four 20th century flier. During a storm telegraph poles were blown down south of Middletown falling on the tracks. The flyer does not stop here. Had it struck the poles a disastrous wreck was certain. The boys saw the danger and ran forward, flagging the train just in time.

Laxative Iron-Ox Tablets

Are best for Children's Bowels

Do not dose them with salts and gripping pills, which are too strong in effect, and literally tear their little insides to pieces, leaving the bowels weakened, and less able to act naturally than before. Laxative Iron-Ox Tablets are the children's favorite laxative, chocolate coated tablets, easy to take, never gripe or nauseate.

"I find the Tablets splendid for Constipation. My three children, aged 3, 9 and 14 years, get a tablet every day, and I myself use them. Laxative Iron-Ox Tablets will be a part of our daily requisites."—SARAH EVANS, 373 W. 126th St., New York, N. Y.

Miss Mae Blinn who is attending school at Granville was the guest of Miss Elsie McWilliams last Sunday.
Mrs. Lou Stone of Newark spent last Wednesday with her parents.
Those on the sick list are much improved at this writing.
Mrs. George Hankinson of Newark, spent a part of last week with her parents, Mr. and Mrs. S. D. Hankinson.
Mrs. Rouse of Newark and Miss Cora Belt of Chatham spent Friday with Mr. Jacob Weiss and family.
Mrs. Joseph Evans is on the sick list.
The Women's Home and Foreign Missionary society met at the home of Mrs. T. A. Van Atta last Thursday. A large crowd was present and a very interesting program was carried out, after which dainty refreshments were served. The next meeting will be at the home of Miss Pearl Blinn.
Mrs. Frank Stewart of near Fredonia spent a part of last week with her parents.
Mrs. J. W. Price and Mrs. R. H. Lingafelter were the guests of Mrs. H. P. Smith last Wednesday.
Protracted meeting began at this place Sunday evening, the service being conducted by Rev. J. C. Schindel of Newark. A large crowd was in attendance.

Health in the Canal Zone.
The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama canal. Many are restrained however by the fear of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influence with Electric Bitters on hand. Cures blood poison too, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by F. D. Hall, druggist, 50c.

HALL'S TOOTH POWDER
whitens and preserves the teeth, hardens the gums and sweetens the breath. Price 25 cents.
Headaches are relieved very quickly by HALL'S HEAD-ACHE POWDERS. Four doses 10 cents.
HALL'S PAINLESS CORN CURE will do what many others won't. Try it on our guarantee.

VINOL
is the TRUE TONIC to build up the system and to make the weak strong. Pleasant to take.

BOARD OF TRADE CALLS MEETING

NEARLY \$2500 NEEDED BY THE BOARD TO COMPLETE THE FACTORY FUND.

Initial Capacity of New Steel Rail Rolling Mill Here Will be 3000 Tons Each Month.

Pittsburg, March 14—L. B. Foster, head of the L. B. Foster company, rail dealers, with offices in the Park building, is president of the Ohio Rail company, which has applied for a charter in Ohio and whose headquarters will be at Newark, Ohio. Other officers are: Lambert B. Richards, Newark, vice president; H. N. Bernheimer, Pittsburg, secretary and treasurer, and T. J. Costello, Newark, general manager.

The company will manufacture rails in 12 to 45 pound sections by the rolling process. The initial capacity of the factory will be about 3,000 tons a month. The work of rolling rails will begin in May.

The success of the Board of Trade's efforts to land this new Foster steel industry is assured, but the Board of Trade requires about \$2,500 more money in the factory fund to secure the Foster industry and to insure the enlargement of the Jewett Car factory. A number of committee men are still at work securing subscriptions.

President F. M. Black has called a citizens' meeting for tomorrow (Friday) night at the city hall for the purpose of completing the canvass. All who are interested in the project are urged to be present. At this meeting it is hoped that enough enthusiasm will be aroused to enable the Board of Trade to complete the work on the following day.

It is unnecessary to add that a large attendance of the citizens at Friday night's meeting is desired and earnestly requested.

NEW SUBSCRIPTIONS.

Following are additional subscriptions to the Board of Trade factory fund. Many in the following list are Jewett Car works employees:

LICKING MEN TO PARTICIPATE IN A BIG PYTHIAN JUBILEE

Zanesville, O., March 14—The big county Knight of Pythias jubilee arranged by the lodge deputies at the suggestion of County Deputy Grand Chancellor S. E. Lovell for April 2, has taken on the form of an interesting county jubilee and a great host of visitors is expected to be in Zanesville on that date.

Dr. S. E. Lovell, one of the prime movers in the rally, announced last night that all the arrangements were complete except the literary and musical program, which will be ready in a few days. The jubilee is to include all of Southeastern towns where the spirit of Damon and Pythias is being perpetuated through this strong order.

Invitations have been sent to not only every lodge in Muskingum county, but to the lodges in Coshocton, Licking, Guernsey, Noble, Monroe, Perry, Morgan and Washington counties, and responses indicate that they will attend in large numbers.

Some of the notable men in the order in this state are to be present and address the gathering. The jubilee will begin at 6 o'clock in the evening—probably in Memorial hall or some other adequate place—and will be an open meeting to everybody, whether members or not.

Among those who will be here are Grand Chancellor O. M. Baker of Hamilton, O.; William Beatty of Toledo, grand keeper of records and seals; J. H. Walker of Cleveland, grand outer guard-elect; C. P. Smith county deputy grand chancellor of Cuyahoga county; Will H. Mann of Coshocton, president of the 13th Pythian District association, and Supreme Representative J. B. Clark of Dayton, O., an enthusiast in Pythian circles and one of the finest orators known to the order.

Some of the attractions will be the presence of the Coshocton and Dresden drill teams, who will perform for the audience. The local uniformed rank will also attend in full uniform and do some street drilling.

DON'T WAIT.

Take Advantage of Newark Citizen's Experience Before It's Too Late. When the back begins to ache.

Don't wait until backache becomes chronic!

Till serious kidney troubles develop; Till urinary troubles destroy night's rest.

Profit by a Newark Citizen's experience.

G. W. Harter, living at Thornville, R. F. D., No. 5, well known in Newark, O., says: "For several years I suffered with a complication of kidney, rheumatism and urinary troubles, and physicians could not help me. In spite of all the medicines I used I grew continually worse. My back became so weak I could scarcely get about and there was a constant dull heavy aching in the small of the back, varied with occasional sharp shooting twinges like knife thrusts that almost paralyzed me. I expected that I would never be able to get rid of the trouble but in talking about my case with Mr. Crayton, the Newark druggist, he advised me to try Doan's Kidney Pills, saying he had known of many of his customers who had used Doan's Kidney Pills for the same troubles and had found great relief. I got a box from him, went home and began using them. To make a long story short, they cured me and the cure has been a permanent one. I have had no more backache, my back is strong, the kidney secretions are regular and normal, and I attribute my present good health to the use of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

RAILROAD RATES WILL ADVANCE

St. Paul, Minn., March 14—"I want to go on record here that your rates will be advanced in the northwest in place of being reduced. They will be advanced simply because it is necessary to provide the service. This course will begin in the east. Now, I am not complaining about rates, but present conditions would bankrupt some of the roads in this state." This declaration was made by President James J. Hill of the Great Northern before the senate committee which is investigating the value of railroad property in the state. Mr. Hill said that the company had adopted the method of reducing rates as the revenue justified, and an investigation of the records would show that its rates, especially on grain and farm products, are lower than in other sections of the country.

A railroad bridge having been washed away, an engine and five cars precipitated into Deer creek, near Harnersville, Pa., on the West Pennsylvania railroad. The dead: J. B. Mikesell, engineer; W. J. Cantwell, fireman; J. M. Johns, brakeman.

Young Men's Spring Suits!

THESE clothes are typically young in character and tone. Its chiefly looks, we think about, which means, quality, pattern, lapels, shoulders, fit about the neck and body, the hang and flare of the coat; clothes that will look right during the whole time of wear.

We have a lot of young men who buy their clothes of us and tell us they are the best they have ever worn, there are other young men that we know we could please, and would like to

show them our Spring Line. It won't cost a cent to look at them, nor a hard feeling if you don't buy. We know if they are better in fit and style you will want to buy; that's what the up-to-date young man of today is looking for. Our line of furnishings can't be beat anywhere.

RUTLEDGE BROS.

SELLERS OF GOOD CLOTHES.

"The Holy City" TONIGHT

"The Holy City" will be repeated at the Fifth Street Baptist Church this evening. The soloists that sang last night will sing tonight, also the chorus of 50 voices.

The work being such a grand success and the inclemency of the weather last evening many have asked to have the cantata repeated.

You will never regret the small price of 25 cents to hear this fine singing.

Tonight at 8:15—Admission 25 cents.

FREE Cooking School

FREE LECTURES ON COOKING
And Practical Demonstration of the various uses for Culinary Purposes of the

Chocolate and Cocoa

Manufactured by **Walter Baker & Co. Ltd.**

Dorchester, Mass.

(ESTABLISHED 1780)

Will be given by

Miss Elizabeth K. Burr

Domestic Science Department, Boston Y. W. C. A.

at the

Y. M. C. A. Building

Daily for One Week

commencing

THURSDAY, MARCH 14th, 1907

at 2:30 o'clock in the afternoon; and 7:30 o'clock in the evening.

Samples of Miss Burr's preparations, such as Cakes, Puddings, Meringues, Fudge Souffles, Ice Cream, Bavarian Cream, etc., will be served at each lecture, and she will be pleased to answer all inquiries regarding the same. A different menu will be prepared and served at each lecture.

A special lecture for the children will be given on Saturday morning, March 16th at 10 o'clock sharp. Every child attending this lecture will be presented with a Walter Baker souvenir.

Sample cakes of the Walter Baker Premium No. 1 Chocolate, the Vanilla Sweet Chocolate, and little sample cans of the Breakfast Cocoa, also a book of "Choice Chocolate Recipes" will be presented to all persons attending these lectures, and all who are interested in scientific cooking should not fail to attend, as they are—

The Church street entrance will be used for these lectures.

A PENDING LAW WILL DO AWAY WITH FAST TRAINS

PENNSYLVANIA LEGISLATURE MAY STOP THE EIGHTEEN HOUR FLYER.

Between New York and Chicago—Forty Miles an Hour to be the Limit.

"Death to fast trains," might be the title of a bill which has been introduced in the legislature of Pennsylvania, fixing 40 miles an hour as the maximum speed to be made in that state by any passenger train.

The slowest passenger trains in service in any state in the Union, as a rule, exceed a speed of 40 miles an hour between stations, and an ordinary rate nowadays is a mile a minute. The suburban trains in and out of Chicago often run at a higher speed between stations than the trains which make the trip from Chicago to New York in 18 hours. The schedule of the "Pennsylvania special" is 50.7 miles an hour, and of the "Twentieth Century Limited" of the New York Central lines is about 53 miles an hour.

If the bill limiting the speed of passenger trains in the Keystone state to 40 miles an hour becomes a law, and the indications are that it will unless the people show opposition to it, the Pennsylvania company will be forced to abandon its 18 hour train between Chicago and New York. Its route between the two cities is 912 miles long, of which 491 miles are within the state of Pennsylvania. To cover that distance of 491 miles at a speed of 40 miles an hour, with no allowance for stops, would require 12 hours and 15 minutes.

That would leave the company but five hours and 45 minutes in which to cover the remaining distance of 421 miles between Chicago and New York. In other words, to maintain its 18 hour service it would have to run 421 miles in 345 minutes, including stops, or over 70 miles an hour in Illinois, Indiana, Ohio and New Jersey, and 40 miles an hour without stops across the state of Pennsylvania.

BASEBALL STOCK HOLDERS WILL MEET THURSDAY NIGHT

Notices were mailed out today to the subscribers to stock in the Newark Baseball company, reminding them that there will be a meeting at the city building tonight at 8 o'clock, to vote on the proposed increase in the capital stock from \$5,000 to \$10,000. It is hoped that every stockholder and subscriber to stock in the company will attend this meeting.

NEWARK BOWLERS WILL COMPETE AT COLUMBUS

The Consumers took three on a forfeit last night from the Echo club. The totals for the three games were 732, 802, 812. The grand total was 2355.

The Flickers will roll against the Gamlet club tonight on the Music Hall alleys. The Flickers are in second place.

The challenge issued by the Riveters to the Molders has been accepted and the games will be rolled soon on the Music Hall alleys. Both teams are employed at the Wehrle plant.

The Music Hall ten pin team will bowl the Pan Handle team of Columbus in that city next Sunday afternoon. H. Jones, N. Armstrong, I. Peterman, F. Grace and E. Schlegel will compose the Music Hall team.

Ray Tracy and Mr. Stechow have issued a challenge to any two men in Newark for a contest of five games of quindol for a side bet. If the challenge is accepted the games will be rolled on the Music Hall alleys.

DENISON GETS DATE

Director Page, while in Columbus, imparted the information that the Ohio Wesleyan track team will have plenty of outdoor work. He gave out dates of meets as follows:

April 27—Kenyon at Delaware.
May 4—Oberlin at Oberlin.
May 11—Ohio at Athens.
May 18—Denison at Granville.
May 25—Wooster at Delaware.
June 2—Big Six.

PASS FOR ROOSEVELT.

Chicago, March 14—Passes for President Roosevelt and Mrs. Roosevelt, Secretary of War Taft and Mrs. Taft, for Judge Moody of the Supreme court and Mrs. Moody, for Mr. and Mrs. Nicholas Longworth were

Headache and Neuralgia from Colds LAXATIVE BROMO Quinine, the world wide Cold and Grip remedy removes cause. Call for full name. Look for signature E.W.GROVE. 25c. th

issued yesterday by President Charles W. Murphy of the Chicago Cubs. Charles P. Taft, brother of Secretary of War Taft, is interested with Mr. Murphy in the ownership of the West Side team.

That Reulbach, Kling and Overall will join the Cubs in short order is Mr. Murphy's opinion, although he says he does not know the exact whereabouts of the men.

"In my experience but two players have quit the game in their prime in the last 31 years," he said, "and these were Jim McCormick of Pittsburgh and Bill Lange of Chicago. There is no danger of that trio deciding to stay away from the diamond. They will all be on hand in time."

MERIDITH BROS. PLAYERS PLEASE TAKE NOTICE

The following players under contract with the Meridith Bros. team, of the City league, will meet at 7:30 tonight without fail at the store of Meridith Bros.: John Kennedy, Jake Winters, John McCarthy, F. Nadolson, Ralph May, J. Nadolson and Mr. Patien. All other players under contract and not included in the above list, will be expected to report. Business of vital importance will be considered.

EVERY RHEUMATIC INVITED TODAY

TO TEST URIC-O FREE?

75-Cent Bottle Given Free to All Why Apply

If there are still any sufferers from Rheumatism in this county or wherever this paper reaches, that have not yet tried the wonderful Rheumatic Remedy Urlic-O, we want them to try it now at our expense. We firmly believe there is no case of Rheumatism in the world that will not yield to the wonderful effects of Urlic-O, and we want to prove it to every doubter beyond all possibility. The best way to do this is to give a large trial bottle of this remedy outright to every sufferer and let him test and try it to his own satisfaction. If you or any of your family suffer from Rheumatism, no matter what form, just cut this notice out of the paper and send it together with your name and address also the name of your druggist, to the Smith Drug Co., Syracuse, N. Y., and they will send you by return mail a liberal trial package free of all expense. There is no reservation to this offer. You take the remedy home and use it according to directions until thoroughly satisfied of its merits.

We could not afford to do this if we did not know that after you are freed from this dreaded disease that you will recommend it to all your friends who have rheumatism. We know from experience that personal recommendation from one person to another is the most valuable advertising, and that is the way we intend to acquaint the world with Urlic-O. Don't put off writing because this offer will soon expire, and then it will be too late. Do it today and start yourself upon the highway to perfect health and happiness. Send for Urlic-O no matter where you live. It is sold by Druggists all over this country, and we want you to have a bottle free. Urlic-O is sold and personally recommended in Newark by Frank D. Hall, North Side Square.

"The Holy City" will be repeated at the Fifth street Baptist church tonight. Admission 25 cents. It

FLOOD SITUATION

(Continued from Page 1.)

siding south of the South Fork are practically shut off from the city, although a few carriages have undertaken to cross the stream. In each instance the water reached a point two-thirds over the wheels of the vehicles.

Starnes and Richards families residing in Oklahoma, whose houses were flooded, were given lodging for the night in the city prison. It was impossible for them to remain in the houses and Chief Sheridan offered them lodging at the prison. This was accepted and the prison corridors were filled with the happy shouting of a half dozen or more children. The families were taken to the prison in the patrol wagon. About 6 o'clock Wednesday evening the police department was called upon to remove a woman from her home on Jackson street. The woman is just convalescing from typhoid fever and was taken to the home of her daughter on Buena Vista street, East Newark.

Owing to the high waters the greater part of the work on the new buildings being constructed just south of the Everett plant, by the Newark Machine Bottle company, was suspended Wednesday afternoon. A small squad of workmen was about the place on Thursday, but operations have practically stopped.

Considerable loss has been noted by residents of these districts and several narrow escapes have added to the already high state of excitement. One of the narrow escapes of Thursday morning was witnessed by a big congregation of sightseers on Baker street. "Monk" Worley and Charles Grill, South Third street grocer, engaged in rescue work, were passing along Baker street in the water when Worley fell into a washout. Grill attempted to rescue his companion, and was dragged in the hole also. A man named Bush, with a companion, rescued the two men.

A highly prized St. Bernard dog, belonging to Mr. Frank Vogelmeier, was lost in the flood. The dog was seen Wednesday morning and evening, climbing about an immense pile of driftwood at the junction of the North and South Forks of the Licking, but was not to be seen Thursday morning. Mr. Vogelmeier lives on South Second street. Six 200 pound pigs owned by Henry Boner of the same neighborhood, were also lost in the rushing waters and have not been recovered.

Numerous reports of drownings were circulated Wednesday and Thursday, but so far no such casualties have occurred.

Serious inconvenience has been felt by the railroads, with the exception of the Pennsylvania. The trains on this road have been nearly on time. Several hundred feet of B. & O. track was washed out and under water near Nashport late Wednesday night, so that it was impossible for later trains to pass through between Zanesville and Newark.

day morning was witnessed by a big congregation of sightseers on Baker street. "Monk" Worley and Charles Grill, South Third street grocer, engaged in rescue work, were passing along Baker street in the water when Worley fell into a washout. Grill attempted to rescue his companion, and was dragged in the hole also. A man named Bush, with a companion, rescued the two men.

A highly prized St. Bernard dog, belonging to Mr. Frank Vogelmeier, was lost in the flood. The dog was seen Wednesday morning and evening, climbing about an immense pile of driftwood at the junction of the North and South Forks of the Licking, but was not to be seen Thursday morning. Mr. Vogelmeier lives on South Second street. Six 200 pound pigs owned by Henry Boner of the same neighborhood, were also lost in the rushing waters and have not been recovered.

Numerous reports of drownings were circulated Wednesday and Thursday, but so far no such casualties have occurred.

Serious inconvenience has been felt by the railroads, with the exception of the Pennsylvania. The trains on this road have been nearly on time. Several hundred feet of B. & O. track was washed out and under water near Nashport late Wednesday night, so that it was impossible for later trains to pass through between Zanesville and Newark.

B. & O. No. 7, with the pay checks cannot get into the city before 3 p. m. Passenger trains for Columbus are being detoured via the Pennsylvania and the C. & M. V. The Lake Erie division is noting very little inconvenience. The New York express, No. 7, of the Pan Handle, was two hours late Thursday morning, but this was said to be due to eastern connections rather than the high water.

The interurban and city electric service was badly crippled Wednesday night from early in the evening until 12 o'clock. The trouble was due to some difficulty with the high tension cable and not to the high waters. The Newark City lines, the Granville line and the C. N. & Z. east of Hebron were included in the difficulty. Seven miles of electric line track between Newark and Zanesville are under water and no cars will run Thursday.

In spite of the great amount of suffering being caused in and about the city by the high water, the whole thing has its highly humorous side, which the hundreds of spectators are looking for eagerly. Several horses have been seen carrying numbers of the fair sex across a flooded district, and a few have been seen to get over their boot tops in the water. One man was carrying a woman across a place in Valandigham street Wednesday evening, and got just half way across when he struck a washout and both fell in the water.

Fully 300 people were lined up along the Erie division tracks Wednesday evening about the supper hour, watching a party of about 50 "Hunkies" get to their six room home in Oklahoma. The Hungarians managed to build a sort of boat out of the bottom of an old box. They caulked the boat with pasteboard and started it across the water to the railroad track where the greater number of the party waited patiently to "get home by the ferry." By use of a clothes line and an oar the boat could be taken from one side of the water to the other, but on arriving would have to be emptied before it could be started on its return trip. Four of the passengers landed in water up to their waists.

Passengers on the Interurban for Columbus were compelled to transfer at Hebron and again near Etna Thursday morning until 9 o'clock when the regular service was resumed.

About 200 feet of dike was washed out early Thursday morning near the Children's Home. This dike was in the same place as the one which was destroyed last year, but is much larger.

A break in a gas main at the Indiana street bridge caused considerable annoyance Thursday. Superintendent Rogers and a gang of men are at work on the broken main.

Considerable excitement was prevailing in the vicinity of the Valandigham street bridge at 2:30 Thursday afternoon when it was reported that a man had been drowned. No definite reports have as yet been received.

Persons about the bridge at 2:30 observed a coat and hat floating down the stream, but thought little of it until some boys from Texas reported that they saw a man struggling in the water near the junction of the north and south forks of the river. The boys reported that they watched the man as far as they could see, but that he soon disappeared from their view and they could not tell whether he escaped or not.

The matter was not formally reported to the police, and it is believed that the finding of the coat and hat furnished something for the boys to use in creating the story for a little excitement.

A large hole was washed in the street at German and Pataskala streets. The hole left is a dangerous one and the matter has been reported to the Board of Public Service. The washout occurred in front of the residence of Thomas Bryce.

Water in Lake is 8 inches above high water mark.

(Special to the Advocate.)

Buckeye Lake Park, March 14—At 2 o'clock this afternoon the water in Buckeye Lake is about 3 inches above high water mark. The wind is blowing from the north and so long as this continues while the water is high, there is little danger.

Last night the water overflowed the bank near the dining hall and it was cut at that point. The rushing water took away the trolley company's new ice house. Amos Atwood also suffered some loss by the flood.

The big steamboat pier is the only one now out of water, all the others being submerged. No cars are being run between Hebron and the lake today.

FLOOD SITUATION IN OHIO IS SERIOUS

(Bulletin.)

Cincinnati, O., March 14—The flood in Ohio and Pennsylvania is growing serious. Rain fell in torrents last night. The Ohio river is at 50.6 and is still rising. A 60 foot stage is expected. At Springfield many people were driven from their homes. Conditions are serious at Zanesville, Roseville, Crooksville and other towns in Muskingum county. People are fleeing to the hills. The Miami river has reached the highest stage this season. Bridges are washed away, steam and interurban railroad traffic is hampered. At Lancaster parts of the city are inundated and the Hocking Valley railroad tracks are washed out for a mile.

Business in Batavia is almost suspended on account of the flood. A part of Troy is under water. Two hundred homes are flooded at Lima. At Glouster, the principal streets are under water. Miles of tracks are washed away. Conditions at Hamilton and Dayton are serious. In East Liverpool a flood state has been reached. The potteries have suspended and a water famine is feared. Practically every industrial plant at Wheeling, W. Va., will be forced to close by night, while the wholesale district and several residence wards will be under water.

FLOOD SITUATION BAD AT PITTSBURG

Pittsburg, March 14—River men expect the worst flood in the history of Pittsburg. Up and down river business is suspended and people are driven from their homes. Four men were drowned at McKeesport today.

BUSINESS IS SUSPENDED
Shawnee, March 14—Heavy rains

Throat Coughs

Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. Better explain your case carefully to your doctor, and ask him about your taking Ayer's Cherry Pectoral. Then do as he says. Get the best medicine, always.

Dr. Black's Cough Syrup

It isn't every cough syrup that can be depended upon. It isn't every cough syrup that it is advisable to give to everyone in the family, especially children.

Dr. Black's Cough Syrup, however, can be given to children with just as much safety as adults, and it is exceptionally good for breaking and curing coughs. We sell more of this cough remedy than any other and recommend it to you.

Plus College

A successful school that prepares young men and women for a successful business career. Every graduate in a good position. Highly endorsed by employers. Fine equipment, strong faculty, expenses reasonable, satisfaction guaranteed. Send for handsome catalogue, giving full information. Phone 1086. JACKSON & YATES, Managers.

during the past 24 hours have caused washouts on both the B. & O. and the Zanesville & Western roads. All railroad traffic, all coal mines and two brick plants have suspended. Coal and clay mines are flooded.

LANCASTER CONDITIONS.

Lancaster, March 14—Chief Wallace and a large force of men are busy removing families and household goods from the dangers of the flood. It has been more than 35 years since the creeks and river have been as high as they are now and the loss will be many thousands of dollars. Residents in the west end of the city were driven from their home Wednesday.

Traffic has been blocked to a very considerable extent.

SKIN SUFFERS FIND A CURE

Science Comes to Their Relief With a Notable Discovery in This Age of Germ Research.

Scientists have at last found how to conquer skin diseases. For generations medical men have been experimenting with internal treatment to cure eczema, but the progress in the germ theory has shown that the old fashioned medical schools were on the wrong track.

As it is now known that eczema, psoriasis, salt rheum, ringworm and all kinds of rashes are caused by germs which lodge in the skin, the best skin specialists have come to believe that the skin can be cured only through the skin. The application externally of oil of watergreen, mixed with soothing ingredients, strikes right at the germs and destroys them effectually. Properly mixed this is a powerful wash, yet so mild and harmless that it can be used as a gargle. This mixture is prepared according to the prescription of a well known skin specialist, Dr. DeCatur D. Dennis. It is compounded in Chicago, and has been sold for years by druggists under the label of D. D. D. Prescription.

A few drops of this remarkably prescription applied to the skin gives INSTANT RELIEF from that terrible itch. JUST AS SOON as the liquid is applied the itch is gone and by repeating the application in a few hours the poor sufferer remains out of pain. In conjunction with a little D. D. D. soap, the skin sufferer has a toilet which cures while it cleanses. We vouch for the merits of D. D. D. Prescription and would not recommend it to the people of our home town if we did not know that we had a really high grade remedy.

Any sufferer who will call at our store can get a free pamphlet on skin diseases or we will show him a bottle of D. D. D. Prescription, and pictures of people who have been cured. Frank D. Hall druggist. You need not hesitate to call, as we do not urge anybody to buy the remedy, but let the results speak for themselves.

"Hey! Give Me a Chew o' thet Star!"

Everybody chews now-a-days and not entirely because it is the most economical and convenient form in which to satisfy the taste for tobacco. When you chew

STAR

PLUG CHEWING TOBACCO

you get the choicest, sweetest, richest and most wholesome grade of leaf the tobacco plant produces. Only the finest grade of selected leaf is used in "Star"—the full-bodied, ripe leaf making a waxy, juicy chew. And that's only one reason why "Star" gives more chewing to the plug than any other chew sold. "Star" always makes an elastic and lasting chew—and is more economical than other kinds because of this.

250,000,000 10c. pieces sold annually.

In All Stores

CIVIC IMPROVEMENT

Many of the dead trees of Newark which did not add much to the beauty of their surroundings have been removed, but still a few remain, silent reminders of the past glory of their existence. Could not these also be cut down and others planted in their place?

As General Robert E. Lee said, "There is nothing in vegetable nature so grand as a tree," and to plant a tree is a kind of missionary work that is far reaching in its consequences and influence.

There is one place in the city of Newark where dead trees outnumber the ones which are green and flourishing. Our city dump has been the means of killing many of the large trees which stood on the ground. What an improvement it would be to that part of our city which is so centrally located, if the place could be converted into a beautiful little park! With the grounds sloping down to the rippling waters of the creek, it could be made an ideal spot for rest and recreation. This is one of the things which the Civic Improvement Society hopes to see accomplished in the near future.

In the meanwhile, could not something be done toward removing the dead trees on the grounds, which can be so plainly seen from Indiana street?

When the spring cleaning is being done, look around and see where a tree can be planted; then when Arbor Day arrives, make a red letter day on your calendar by planting a tree, not only for your own yard, but for the good of those who come after you.

Plant your trees far enough away from the house, so that it will not be shaded, and the grass destroyed. Trees look best, or rather, the landscape scheme as a whole looks best, with them set to the rear or side of the house, forming a forest-like background.

Newark is noted for its many shade trees, but if one is left standing that is dead or the branches be allowed to grow close to the ground, the beauty of the tree is lost to the eye of the beholder.

There is no limit to the beauty and usefulness of a tree. It lives for centuries. It reaches its sturdy and gnarled trunk on high, spreads its branches to the heavens, casts its shadows on the ground and the birds build their nests and sing among its shady branches.

Woman's Nightmare

The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of **Mother's Friend** so prepares the system for the coming event that it is safely passed without any danger. This great and wonderful remedy is always applied externally, and has carried thousands of women through the trying crisis without suffering.

Sent for free book containing information of previous value to all expectant mothers.

The Bradford Regulator Co., Atlanta, Ga.

Mother's Friend

No woman's happiness can be complete without children; it is her nature to love and want them as much as it is to love the beautiful and pure.

six of her friends and relatives were present and a most enjoyable day was spent.

Miss Cora Graves who underwent an operation for an abscess on the neck about two weeks ago in the Columbus hospital, was able to return home the last of the week.

Mr. Guy Warner who teaches in the Brownville schools, was home over Sunday, it being his 21st birthday anniversary. His parents presented him with a fine gold watch.

Mrs. R. V. Streeter who has been very low with pneumonia is somewhat improved. Her daughter, Mrs. C. G. Green of Illinois, came to care for her.

Mrs. A. D. Burrell entertained in honor of her daughter Ma's 17th birthday with a six o'clock dinner on Monday, the teachers, and members of her class in school, numbering 13. Games and music were indulged in until a late hour, when the guests departed, wishing for their classmate many happy birthdays.

Miss Jessie Burns of Clatsville, who has been visiting her sister, Mrs. R. B. Stumph the past two weeks, returned home the last of the week.

Mr. Geo. Davidson was in Newark on business Monday.

Rev. Mr. Wallace of the Christian church, has had a call to go to Mexico, and he, with his family will move there soon.

BROWNSVILLE

Prof. Warner of the grammar room spent Sunday with his mother in Croton.

Miss Smith, daughter of Dr. Smith of Portersville spent Sunday with her cousin Mrs. Wm. Kreeger.

Julia Priest was called to Canal Winchester on account of the sickness of her brother, Rev. David Priest.

J. H. Bell attended the funeral of his uncle, Dr. Spencer on Tuesday.

Clyde Harris is visiting his sister, Mrs. Dr. Melick, in Columbus.

Perry Orr and wife of Glenford, spent Monday with her sister, Mrs. B. R. Orr.

Jack Yost has moved to White Cottage, where he has accepted a position with Stephen Lytle.

Park Holmes is spending a few days with his sister, Mrs. Dr. Iden in Somerset.

THE PEOPLE ALL

In Chorus Cried, Give Us Newark's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBORN'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBORN'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00.

City Drug Store, Special Agent.

DIRECTOR BURR IS STILL MISSING . OTHERS IN COURT

(Bulletin.)

Columbus, March 14—All of the men indicted in the recent bribery investigation were in court today except Director Burr who is still missing. Lang, Immel, Lied and Bramley pleaded not guilty. Cannon, Beck and Shumaker, who confessed, pleaded guilty. Sentence was deferred so that the confessions can be used against the others.

Judge Evans late today fined Beck \$1,225, Shumaker \$200 and Cannon \$650.

RAILWAY MAGNATES DID NOT MEET ROOSEVELT TODAY

Washington, March 14.—The railroad presidents did not meet with President Roosevelt today as expected by previous arrangements that had been published. It is not known when the proposed conference will take place.

THIRTY CARS RUNNING.

Louisville, Ky., March 14.—Thirty cars are running with strike breakers today. Police Captain Riley refused this morning to serve at the car barns on the ground that the strike breakers were armed and he could not be a party to murder. Charges were preferred against Riley.

This afternoon Corporal Whitman, of the police force, was hit with a brick and is thought to be fatally injured. Nagal, a St. Louis strike breaker, dragged from a car and stamped on by the crowd, will die.

A Soldier's Story

OF HIS RETURN HOME, BROKEN IN HEALTH—BUILT UP BY FATHER JOHN'S MEDICINE.

With the allied troops that fought their way to Peking through bands of Chinese Boxers was Edward Carroll of the American army. He returned home completely run down. He says: "I had a severe attack of bronchitis and began to think my days were short. After trying nearly everything else, I finally took Father John's Medicine and began to improve at once and was soon cured. I always keep a bottle of Father John's Medicine at hand." (Signed) Edward Carroll, Battalion Quartermaster Sergeant of Engineers, U. S. Army, Retired. Father John's Medicine is a guaranteed remedy for any throat or lung trouble, and a perfect body builder.

Scion of Nobility in Toils.

London, March 14.—Lord William Beauchamp, fourth son of the Marquis of Abergavenny, is again in the hands of the authorities, and was remanded at a police court, charged with stealing jewelry by means of a trick. Lord Neville was sentenced to five years penal servitude at the Old Bailey Feb. 15, 1898, for fraud. In the present case Lord Neville is charged with stealing a box containing \$2,000 worth of pearls and diamonds, by exchanging it for a similar box apparently containing the jewels, but which, when opened, was found to contain two pieces of coal wrapped in tissue paper.

ILLUSTRATED SERMON AT TRINITY CHURCH

The Episcopal church will celebrate its 300th anniversary in America, at Jamestown, Va., next October. In preparation for this, the work of the church on American soil during these 300 years is being brought to the attention of the people. The Episcopal church was the first religious body among Christians to hold a service in this country. The first to baptize, the first to perform the sacrament of matrimony, the first to celebrate the holy communion. Most of the signers of the Declaration of Independence were members of this church. The father of his country, George Washington, was one of the officers of his parish church. It is these and many

CONSTIPATION EASILY CURED.

IN THE PRIVACY OF YOUR OWN HOME WITHOUT MEDICINE.

See Free Coupon Below.

PROF. T. H. MIDDLELEY, Constipation Specialist, Inventor of the Drugless Constipation Cure.

Without the use of pills, purgatives or drugs of any kind, I can and do cure the worst cases of chronic constipation—cure them to satisfaction and restore the patient to a state of health and happiness, such as they had never known before. I can cure constipation, no matter how bad it is, in 10 to 15 days, without the use of drugs. Constipation is cured for all time, when cured my way. Fill out free coupon below and mail to-day.

FREE COUPON.

Fill in your name and address on dotted lines below and mail to Prof. T. H. Middleley, 365, Michigan Bldg., Kansas City, Mo., and return mail as will tell you how to cure constipation without medicine absolutely free.

other historical facts connected with the history of the Episcopal church, and at the same time connected with the history of our country, that will be shown in pictorial form on Friday evening of this week in Trinity church, corner of North First and East Main streets. The service will begin promptly at 7:30 o'clock. A fine electric stereopticon lantern will be used in throwing the pictures on the screen, and the Rev. Alsop Leffingwell of Toledo will preach the sermon connected with them. A cordial invitation to the general public to be present is extended.

WALTER B. BALL NOW IN ROCHESTER

Newark Baritone Engaged as Soloist in Prominent Church of That City.

Newark music circles will be interested to hear from Mr. Walter Bentley Ball, the popular baritone, whose singing has pleased hundreds of the city's music lovers on various occasions. Mr. Ball is at present located in Rochester, N. Y., where he has been engaged as soloist in the Central Presbyterian church, the largest and wealthiest house of worship in the city of Rochester. Mr. Ball has located in that city for the purpose of perfecting his already marvelous voice under the tutelage of John Beall, one of the best vocal instructors in America.

Shortly after leaving Newark Mr. Ball went to New York City, where he sang before Henry Savage. The famed amusement promoter made Mr. Ball a flattering offer for a 16 weeks' tour in one of his most successful organizations, but Mr. Ball declined to accept the position for the present in order that he might give his voice more attention under the Rochester instructor.

On Saturday last the Newark baritone met Miss Evelyn Francis of this city, who is singing in George Co-han's "Forty-Five Minutes from Broadway" company.

Mr. Ball has been engaged to give a recital for the Barberton, Ohio, Musical club and expects to visit this city on the day following, which is Friday next.

Loose Leaf Ledgers of any style rulings made to order at the Advocate Book Bindery.

AMUSEMENTS

"The Hair to the Hoar" that sprightly comedy by Paul Armstrong which delighted the patrons of the Auditorium last season, returns for one night, tonight.

Everybody who enjoyed the quaint

HELENE LACKAYE In "The Hair to the Hoar!"

characters and the genuine humor of the Armstrong-La Shelle comedy last season, will be an enthusiastic advertiser of its merits on the occasion of the return engagement tonight.

A COUNTRY KID.

"A Country Kid," H. B. Whitaker's successful drama, comes to the Auditorium Saturday matinee and night. The play deals with life as seen in small Indiana towns and is said to be one of strong morals and an interesting plot, enlightened by better dialogue than I usually found in the ordinary run of comedy dramas.

GAUL'S GREAT WORK SPLENDIDLY GIVEN

Gaul's Holy City was given Wednesday night at the Fifth street Baptist church, by an excellently drilled chorus of 50 voices under the direction of Prof. Walter W. Flora, with the following soloists:

Soprano, Miss Hazel Neff, Chicago;

Contralto, Miss Elsie Hirschberg, Newark, O., and Mrs. J. C. Bousaire, Newark, O.; Tenor, Mr. H. R. Richards, Findlay, O.; Baritone, Mr. John F. Jones, Lima, O.; Organist, Miss Bertha Stevens, Newark, O.

The rendition of the entire program was thoroughly enjoyed by the large audience that was present in spite of the inclement weather. Would space permit, detailed review of the work of each of the soloists would not be amiss. Especially appreciated was the singing of Miss Neff, Miss Hirschberg and Mr. Jones. Possibly the most enjoyed was the favorite of this work, "Eye Hath Not Seen," which was sung by Miss Hirschberg with fine effect.

The program:

Part I—Contemplation. Introduction (instrumental). Chorus, Tenor Solo, Quartet, Chorus, "No Shadows Yonder." Air (tenor), "My Soul is Afloat for God." Female trio, (unaccompanied) "Al Eventide I Shall be Light." Chorus, "They That Sow in Tears." Air (contralto) "Eye Hath Not Seen." Chorus, "For Thee, O Dear, Dear Country." Chorus, "Thine is the Kingdom." Part II—Adoration. Intermezzo (instrumental). Air (bass), "A New Heaven and a New Earth"; Choral Sanctus, "Holy, Holy, Holy." a. Chorus for a Double Choir, "Let the Heavens Rejoice"; b. Air (tenor) "To the Lord Our God." a. Air (contralto) "Come Ye Blessed of My Father"; b. Semi-Chorus (unaccompanied), "The Flaming Pot is for Silver." Air (soprano) "These are They Which Came Out of Great Tribulation." Duo (soprano and alto), "They Shall Hunger No More." Quartet and Chorus, "List the Cherub Host"; Solo (bass), "And I Heard the Voice of Harpers." Chorus, Quartet, "Great and Marvelous are Thy Works Lord God."

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Suits and Coats for Easter

Make your selection
Now as the time
Is growing short.

AN EARLY EASTER brings earlier than usual interest in the displays. This department is ready with every new style, in fact such a large assortment that it makes it almost difficult to choose. Our wonderful showing of Suits will comprise every new model from the dressy French Voile Suits to the more tailored models of cloth. Neat little stripes and checks, and all the newest colorings in plain weaves. Full plaited skirts both three-quarter and long sleeves. New variations of the Eton Pony and Gibson style Jackets.

We can show you a splendid line from \$15.00 up to \$65.00, but our showing at \$25.00 to \$35.00 is unusually strong.

NEW SEPARATE COATS

From the handsome black silk coats to the neat little cloth jacket that is almost a necessity, our line is complete. Black Taffeta coats in every desirable length from the natty little Eton style to the graceful effects in three-quarter and full lengths.

Prices ranging from \$7.50 to \$35.00

Coats of plain coverts and the so-much-wanted little checks and stripes. Fitted and semi-fitted models, pony and box coats, in an endless variety of styles at

Prices from \$5.90 to \$33.00.

NEW GLOVES FOR EASTER

Again the story of advanced prices and scarcity of styles comes to us from every direction. Do not defer your purchases until late in the season, as you may again be disappointed. We have been very fortunate in securing an especially good line of

SILK MILANESE Lisle GLOVES

These are imported gloves, the very best make, insuring you a good fit—16-button length, and in colors to match all the new spring shades—brown, tan, "Alice," and light blue, pink, champagne; also, blacks and whites.

This would be a good \$1.75 number, but to open our glove season we offer it to you at the

Special Price of \$1.50 a pair.

The H. H. Griggs Co.

Millinery Opening

EVERYTHING points to an early season. Easter is March 31. Flowers are now greatly in demand, and our trade has begun with a vim, all pointing to an early millinery season.

March 16 to 20

We shall be pleased to greet you at our OPENING, and in appreciation of early orders a special discount of 10 per cent will be allowed during the first opening. While flat or mushroom shapes will predominate, a large variety of styles will be open for your approval.

LONG'S

Store Opens 7:30, closes 5:30; Saturday 9:30.

Ladies' Custom Tailoring Department, Second Floor.

IT JUST RAINED

Jacket, Auto, Cravenette and Fancy Coat Bargains For You

New arrivals that will quickly take their departure when you see the style, quality, workmanship, and the price tag attached to these new garments.

COVERT JACKETS, \$5.00 to \$12.50

Stylish Jackets that advocate the new lengths for smart out door sport, in the newest cut, strapped front and back, in plain tailored effects—all at matchless prices.

AUTOMOBILE COATS, \$12.50 to \$19.50

Man-tailored Rubberized Automobile Coats—in navy blue, tan, brown and black. A stylish protective garment that is perfectly rainproof, and dust-proof, should be possessed by every woman—a valuable addition to any wardrobe.

CRAVENETTE COATS, \$9.50 to \$15.00

Women strongly advocate the desirability of a neat coat which readily respond to the needs of driving or travel, of sufficient protection to serve as a raincoat. Coats made of cloth that has been treated to the process of cravenetting, makes the cloth more durable and at the same time rainproof. You need one of these at the price offered.

MISSIE' FANCY COATS, \$4.95 to \$12.50

The unstudied simplicity of these fashionable coats recommended themselves to misses of refined taste. Elegantly tailored from fancy mixtures in the new seven-eighths lengths—both collar and collarless effect. Every one a beauty for the price asked.

NEW SPRING COATS

The latest arrivals and the newest creations of broadcloth, satin-lined—lengths, the new seven-eighths and medium.

SUITS—DAILY ARRIVALS

The styles you see in the best fashion journals are being daily received. You can wear them yourself and look like a fashion leader without spending more than your income, if you keep posted as to the prices we ask—even now at the very outset of the season.

KHAKIS

Left Behind When White Soldiers Quit Brownsville.

Washington, March 14.—When the Twenty-sixth infantry was transferred from Brownsville to make room for the negro soldiers of the Twenty-fifth infantry, the white soldiers left behind many suits of cast-off khaki uniforms, and shells, cartridges and bandoliers lying about loose in the storehouses and barracks. This important testimony was given before the senate committee on military affairs by Rowland Osborne, the white post quarter-master sergeant at Fort Brown during the occupation of the fort by both the Twenty-sixth and Twenty-fifth infantry. Osborne said that he remained at the post checking up the post property, such as furniture and other articles that were a part of the permanent equipment. His recollection was that all of the ammunition which he saw at Fort Brown after the departure of the Twenty-sixth was Krag-Jorgensen ammunition, but he would not state positively that there were no Springfield cartridges left behind.

NEPTUNE LIQUID WAX.

Is one of the best things for the housewife at cleaning time. It brightens up the woodwork floors and the furniture. Easy to apply.

Sold by Newark Paint Co., 31 West Church street, only exclusive paint store in southeastern Ohio.

SPARTAN WHITE LEAD—Is the best White Lead on the market. Best for the painter, best for the property owner. Manufactured by THE MARILTA PAINT & COLOR CO., Marietta, Ohio.

Philippine Assembly.

Washington, March 14.—Secretary Taft's proposed visit to the Philippines in September to attend the opening of the first Philippine assembly has directed attention especially toward the new legislative body to be created for the islands. The assembly will consist of 61 members, apportioned on the basis of one delegate for each 9,000 persons, and provision is made to increase the number to a total of 100. It will in a general way correspond to the American house of representatives, while the Philippine commission will correspond to the United States senate, and the acts of the assembly must secure the approval of the commission before they become laws.

OUTBREAKS

Suppressed by the Louisville Police. Peace Negotiations.

Louisville, Ky., March 14.—Two outbreaks of formidable proportions occurred in connection with the strike of street railway men. The first was caused by a cab driver blocking a streetcar with his cab and then attempting to tear off the heavy wire screen with which all cars were provided for the protection of motormen. The cab driver was arrested. Over 1,000 people surged round and made attempt to rescue the prisoner. The crowd was not dispersed until a score or more of arrests were made. The second outbreak occurred at Seventh and Main streets, where a carload of strike-breakers, arriving from St. Louis on the Southern railway, was being transferred to a suburban express car. The strike-breakers were protected by police during the transfer, but the minute they were aboard the express car a volley of missiles crashed into it, several of those inside being slightly hurt. Here also a large number of arrests were made.

A peace conference was held between representatives of commercial bodies and the directors of the railway company and a committee representing the strikers. The proceedings were kept secret, but it was learned on good authority when the conference adjourned to meet again that the commercial bodies confidently expect the strike to be in process of arbitration and car service resumed by Thursday night.

Trial of Abraham Ruef.
San Francisco, March 14.—After the names of four talesmen had been drawn from the jury box, the trial of Abraham Ruef on the grand jury charge of extorting money from French restaurant keepers was continued in Judge Dunne's court until Monday morning. Counsel for Ruef objected to the drawing of any further names during the absence from the jury of Jurymen Dumbrell, who has been temporarily excused, and Judge Dunne thought it well, as an adjournment of at least one day was insisted on, to take a recess until the state supreme court renders its decision on Ruef's application for release upon habeas corpus.
